

Dear Family of King's College Student:

For a King's College student, the King's College ID card is an essential component of the college living and learning environment. All King's students receive a personalized King's Card which serves as their student identification card, and provides access to dining halls, libraries, campus facilities, events, and more.

Students carry their King's Card with them at all times, so for students' convenience and parents' peace of mind, we have extended the functionality of the King's Card to include the King's Cash account, which can be used as a form of payment for everything your student needs on and off-campus, all within a secure and controlled environment.

**King's Cash** works as a Flexible Spending Account designed to be used for on-campus purchases or for off-campus purchases at participating vendors. It can cover all your student's needs for everything from textbooks, photocopies, and laundry to dining out and going to the pharmacy – without needing a credit card or cash. King's Cash is only accepted at locations approved by King's College, and sale of alcohol and tobacco is prohibited on the card. **By giving the gift of King's Cash and making sure your student's account is adequately funded, your student will be prepared for anything they need throughout the semester.**

In order to help you and your student prepare for the upcoming year, we have provided an estimate of the typical semester's expenses and the locations King's Cash can be used.

For all other requested refunds, a processing fee equaling 10% of the requested amount may be charged. Requested refunds will be paid by check and will be sent to the requestor at his/her permanent address.

**In order to make your initial deposit to a student's account, please return the attached deposit slip with a check made out to King's College.** Once funded, the account balance will decline with each purchase your student makes, and you can make additional deposits at anytime throughout the semester by mail or by calling the King's Card Office at **570-208-5831**. With King's Cash, there is no credit card interest or charges, no chance of overdrawing the account, and no need to carry cash around campus.
